

Limited Warranty

Stacked Wood guarantees the wall panels against manufacturing defects. If, upon opening a box, a panel is defective or fails to meet Stacked Wood quality standards, the consumer may return the panel to the nearest retailer for replacement.

5 - Year Limited Structural Warranty

Stacked Wood guarantees that the wall panel, in their original condition, shall be free from manufacturing defects for the period of 5 years from the date of retail purchase.

3 - Year Surface Finish Limited Warranty

Stacked Wood guarantees the finish on the wall panels under normal conditions won't wear through for the period of 3 years from the date of retail purchase.

This product is flammable and its use near an important heating source (such as gas fireplace, solid burning appliance, slow burning stove, etc.) is not recommended. Please check the latest construction regulations or the nearest fire department in your locality and/or refer to the fireplace installation and safety manual.

For installation over concrete walls, wood separators (strapping) are recommended. Direct installation over concrete is not covered by warranty.

Given the nature of wood, it is possible that Stacked Wood panels may exhibit color variations from one panel to the next or from one production lot to the next. We recommend that you lay out the panels on the wall based on your personal color preferences. Such variations may not be claimed under warranty.

Stacked Wood guarantees the conformity of its products when they are installed according to Stacked Wood installation instructions and are maintained in an environment where ambient humidity ranges from 35% - 55%. Failure to comply with installation instructions shall void the application of warranty.

Ceiling applications are not covered by this warranty.

By accepting and installing Stacked Wood wall coverings, you will be deemed to have accepted the warranty terms and conditions set forth.

Stacked Wood cannot be held responsible for products that are installed incorrectly.
